of ANG Tactical Control Units

TAG AL	TAG MA	TAG OR	TAG UT

TAG GA	HQ NYANG	TAG RI	TAG WI
TAG IA	TAG OH	TAG TN	

1. The attached draft ANG UMD's for Tactical Control units in your state are forwarded for planning, concurrence, and determination of implementation date of new units and new documents.
2. Attached also is a listing of units, their location, strength, and the type of action that must be accomplished.
3. In addition, a breakout by groups and their assigned units has been included as an attachment.
4. The attached UMD's reflect the gaining command's requirements; therefore, no request for changes in the documents will be considered until the units have had sufficient operational experience, six months to a year.
5. All dates selected by the states for activation, inactivation, and redesignation of units will be forwarded to NGB (PRM), if possible, 45 days, but not less than 30 days, in advance of date selected. These units are programmed to be in being during FY 1/72. Those units that require federal recognition should contact the gaining command and arrange for an inspection as soon as possible.
